

Meekaelloh Jhaynoel H. Barnedo

Quezon City, Philippines | jhaynoelbarnedo@gmail.com | +63 993 631 1663 | linkedin.com/in/akosimico

Information Technology graduate with hands-on experience developing scalable full-stack web and C# desktop applications. Proficient in ASP.NET MVC, Laravel, Django, JavaScript, and modern styling frameworks (Bootstrap, Tailwind CSS), alongside SQL database management (SQL Server, MySQL, PostgreSQL). Skilled in version control (Git/GitHub), web deployment (Render), and leveraging AI-powered development tools to accelerate coding, debugging, and workflow efficiency. Eager to contribute as a Full Stack Developer.

Education

STI COLLEGE MUÑOZ-EDSA , Quezon City

Bachelor of Science in Information Technology (BSIT), 2022 to 2026

Personal Projects

WEB-BASED PROJECT MONITORING WITH COST TRACKING FOR POWERMASON Feb 2025 – Nov 2025

Lead Developer

Overview: Designed and developed an enterprise web-based project monitoring platform with integrated cost tracking for Powermason. Implemented project management, cost monitoring, progress tracking, reporting, role-based access control (RBAC), and database management modules to improve operational visibility and decision-making.

Tech Stack: Python, Django, PostgreSQL, JavaScript, Tailwind CSS, HTML5, Celery, ReportLab, Chart.js, Django ORM

ALLCAPS LEDGER - INTEGRATED INVENTORY & FINANCIAL MANAGEMENT Jan 2025 – Mar 2025

Software Developer

Overview: Designed and developed a centralized full-stack business management application for AllCaps to automate real-time stock control, revenue logging, and operational expense tracking, replacing manual accounting workflows.

Tech Stack: C# (ASP.NET), HTML CSS, Microsoft SQL Server, JavaScript
